ABOUT ME

"I am a passionate Software Engineer with 4+ years of experience. I am interested in making UI, RESTful APIs and every step helps to create successful products."

EXPERIENCE

Software Developer
eSpace

📅 Dec 2018 – Present   📍 Alexandria, Egypt

- Building a SaaS system for e-learning platforms and optimizing the product structure to deal with multiple tenants.
- Developed Egypt's official Elections portal handling thousands of judges to inquiry about their polling centers and request to change their polling location. [elections.eg]
- Implementing Domain-driven design architecture for an HR system that handles employees' leave requests and the balance calculations.

Technologies: Ruby   Rails   React   PostgreSQL   Docker

UI Developer
eSpace

📅 Sep 2017 – Nov 2018   📍 Alexandria, Egypt

- Developed Aanaab which offers online courses in Arabic for teachers to help them improve their skills in different areas, it reached over 37,000 teachers in the Arab world, also we helped them to be raised $ 1.5 million in its first external funding round.
- On the initiative of the Ministry of Human Resources in Saudi Arabia, we were able to help more than 500,000 male and female freelancers.

Technologies: HTML   CSS   JS   Bootstrap   Git

UI Intern
eSpace

📅 Jul 2017 – Aug 2017   📍 Alexandria, Egypt

- Design and develop "90 Sanya" game, it has been downloaded over 500,000 and rated 4.4 on Google Play. [bit.ly/90-sanya]
- Design and develop an augmented reality application on iOS using ARKit it's a game like Minecraft using AR.

Technologies: React Native   Swift   Photoshop   Illustrator

Intern, CIC Department
IBM

📅 Jun 2016 – Jul 2016   📍 Cairo, Egypt

English: Professional proficiency

MOST PROUD OF

🎓 **Advanced Web Development, Nano Degree Program**
📅 2020   🏛 Udacity
I got introduced to Python, flask, and creating APIs. Also, I got sessions about how to be a freelancer and the platforms I could deal with.

🏆 **Winner of Imagine Cup, Egypt National Finals**
📅 2017   🏛 Microsoft
1st place in Imagine Cup, Egypt national finals and participate in Imagine Cup Middle East and Africa finals in Lebanon.

STUDENT ACTIVITIES

⚡ **Microsoft Student Partner**
📅 2015 – 2017
We created events, sessions, courses and online/offline campaigns preparing technical field leaders to the market and improve their skills using the power of Microsoft technologies. In 2 years we created over 30 events reaching over 3M+ students all over Egypt.
